Financial Policy

Faculty Physicians Knoxville, PLLC. believes that part of good healthcare practice is to establish and communicate a financial policy to our patients. We are dedicated to providing the best care for you, and we want you to have an understanding of our financial policy.

1. **PAYMENT** is expected at the time of your visit. Just as we make every effort to accommodate you when you are in need of medical care, we expect you to make every effort to pay your bill promptly. Payment is due at the time services are provided or upon receipt of a statement from our billing office. **We accept cash, check, debit, credit, or health savings accounts.** You may also make a payment online through our patient portal.

Payment will include any unmet deductible, co-insurance, co-payment amount or non-covered charges from your insurance company. We do ask for a copy of your current insurance card at the time of your visit to ensure we properly file your claim.

2. **SURGERY PATIENTS:** You may be responsible or required to pay a percentage of surgery charges prior to any surgeries or procedures. This will be determined by information given to us by your insurance company regarding patient percent responsibility.

You must provide proof of insurance at each visit so we can ensure proper billing to your benefit plan. We do not bill third party payors but will be happy to provide a copy of the original claim if requested.
4. **HIGH-DEDUCTIBLE PLANS:** Under these plans, your insurance company will provide you a discount off our billed charges, but you are responsible for the discounted amount due until you meet your deductible. **We accept cash, check, debit, credit, or you may use your health savings account.**
5. **SELF-PAY/OUT-OF-NETWORK:** Patients will be provided with a Good Faith Estimate within 3 business days of making an appointment that will list the maximum charge per specified visit compliant.
